CONDEMNING THE VIOLENCE AND DOMESTIC TERRORIST ATTACK THAT TOOK PLACE DURING EVENTS BETWEEN AUGUST 11 AND AUGUST 12, 2017, IN CHARLOTTESVILLE, VIRGINIA

Mr. GOODLATTE. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the joint resolution (S.J. Res. 49) condemning the violence and domestic terrorist attack that took place during events between August 11 and August 12, 2017, in Charlottesville, Virginia, recognizing the

first responders who lost their lives while monitoring the events, offering deepest condolences to the families and friends of those individuals who were killed and deepest sympathies and support to those individuals who were injured by the violence, expressing support for the Charlottesville community, rejecting White nationalists, White supremacists, the Ku Klux Klan, neo-Nazis, and other hate groups, and urging the President and the President's Cabinet to use all available resources to address the threats posed by those groups, and ask for its immediate consideration in the House.

The Clerk read the title of the joint resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.

The text of the joint resolution is as follows:

S.J. RES. 49

Whereas, on the night of Friday, August 11, 2017, a day before a White nationalist demonstration was scheduled to occur in Charlottesville, Virginia, hundreds of torch-bearing White nationalists, White supremacists, Klansmen, and neo-Nazis chanted racist, anti-Semitic, and anti-immigrant slogans and violently engaged with counter-demonstrators on and around the grounds of the University of Virginia in Charlottesville;

Whereas, on Saturday, August 12, 2017, ahead of the scheduled start time of the planned march, protestors and counter-demonstrators gathered at Emancipation Park in Charlottesville;

Whereas the extremist demonstration turned violent, culminating in the death of peaceful counter-demonstrator Heather Heyer and injuries to 19 other individuals after a neo-Nazi sympathizer allegedly drove a vehicle into a crowd, an act that resulted in a charge of second degree murder, 3 counts of malicious wounding, and 1 count of hit and run;

Whereas 2 Virginia State Police officers, Lieutenant H. Jay Cullen and Trooper Pilot Berke M.M. Bates, died in a helicopter crash as they patrolled the events occurring below them;

Whereas the Charlottesville community is engaged in a healing process following this horrific and violent display of bigotry; and

Whereas White nationalists, White supremacists, the Ku Klux Klan, neo-Nazis, and other hate groups reportedly are organizing similar events in other cities in the United States and communities everywhere are concerned about the growing and open display of hate and violence being perpetrated by those groups: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That Congress—

(1) condemns the racist violence and domestic terrorist attack that took place between August 11 and August 12, 2017, in Charlottesville, Virginia;

(2) recognizes—

(A) Heather Heyer, who was killed, and 19 other individuals who were injured in the reported domestic terrorist attack; and

(B) several other individuals who were injured in separate attacks while standing up to hate and intolerance;

(3) recognizes the public service and heroism of Virginia State Police officers Lieutenant H. Jay Cullen and Trooper Pilot Berke M.M. Bates, who lost their lives while responding to the events from the air;

(4) offers—

(A) condolences to the families and friends of Heather Heyer, Lieutenant H. Jay Cullen, and Trooper Pilot Berke M.M. Bates; and

(B) sympathy and support to those individuals who are recovering from injuries sustained during the attacks;

(5) expresses support for the Charlottesville community as the community heals following this demonstration of violent bigotry;

(6) rejects White nationalism, White supremacy, and neo-Nazism as hateful expressions of intolerance that are contradictory to the values that define the people of the United States; and

(7) urges—

(A) the President and his administration to—

(i) speak out against hate groups that espouse racism, extremism, xenophobia, anti-Semitism, and White supremacy; and

(ii) use all resources available to the President and the President's Cabinet to address the growing prevalence of those hate groups in the United States; and

(B) the Attorney General to work with—

(i) the Secretary of Homeland Security to investigate thoroughly all acts of violence, intimidation, and domestic terrorism by White supremacists, White nationalists, neo-Nazis, the Ku Klux Klan, and associated groups in order to determine if any criminal laws have been violated and to prevent those groups from fomenting and facilitating additional violence; and

(ii) the heads of other Federal agencies to improve the reporting of hate crimes and to emphasize the importance of the collection, and the reporting to the Federal Bureau of Investigation, of hate crime data by State and local agencies.

The joint resolution was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

DEPARTMENT OF THE INTERIOR, ENVIRONMENT, AND RELATED AGENCIES APPROPRIATIONS ACT, 2018.

The SPEAKER pro tempore (Mr. MITCHELL). Pursuant to House Resolution 504 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the further consideration of the bill, H.R. 3354.

Will the gentleman from Illinois (Mr. RODNEY DAVIS) kindly resume the chair.

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the further consideration of the bill (H.R. 3354) making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2018, and for other purposes, with Mr. RODNEY DAVIS of Illinois (Acting Chair) in the chair.

The Clerk read the title of the bill.

The Acting CHAIR. When the Committee of the Whole rose earlier today, a request for a recorded vote on amendment No. 154 printed in House Report 115-297 offered by the gentlewoman from Massachusetts (Ms. CLARK) had been postponed.

AMENDMENT NO. 155 OFFERED BY MR. MURPHY OF PENNSYLVANIA

The Acting CHAIR. It is now in order to consider amendment No. 155 printed in House Report 115-297.

Mr. MURPHY of Pennsylvania. Mr. Chair, I have an amendment at the desk.

The Acting CHAIR. The Clerk will designate the amendment.

The text of the amendment is as follows:

Page 752, line 19, strike “\$15,000,000” and insert “\$20,000,000”.

The Acting CHAIR. Pursuant to House Resolution 504, the gentleman from Pennsylvania (Mr. MURPHY) and a Member opposed each will control 5 minutes.

The Chair recognizes the gentleman from Pennsylvania.

Mr. MURPHY of Pennsylvania. Mr. Chair, I want to speak on this amendment, which provides some additional funding for assisted outpatient treatment.

The underlying bill has in it \$15 million, and we are asking for it to be raised to \$20 million. First of all, I want to say where the money is coming from. This is within the budget of SAMHSA. This is not new spending. It is not additional spending. But over my years of investigating mental health in the United States and the conditions, and then led to my introduction of the Helping Families in Mental Health Crisis Act, which, by the way, this House passed 442-2, this level of funding was authorized in the bill. It is already authorized there. It is to come from the SAMHSA account, not new spending.

Let me describe what assisted outpatient treatment is. Understanding that there are about 60 million Americans with mental illness, and 10 million have severe mental illness, it is important to note that our prisons are filled with people who have mental illness. On some level, 60 to 80 percent of people in jail have a mental illness. That is no place to be treating someone. But, unfortunately, they may have a crime they committed, and in many cases it could simply be vagrancy, it could be other issues, too, where they may have become violent, they may have had other problems associated with that, but a person with mental illness is 10 times more likely to be in prison than to be in a hospital bed.

We don't have enough hospital beds. Ninety percent of the psychiatric hospital beds in this country have been closed down since the 1950s. Now we need 100,000 more, but instead what we do as a society, we throw them in prison.

A few years ago, when New York passed Kendra's Law, when a young woman was killed by a mentally ill person, they realized that had he been in treatment, it likely never would have happened.

□ 1900

So rather than having someone, if we can't put them in a hospital, can't get
